75% of Transactions Now Online at NJMVC.gov

TRENTON – The New Jersey Motor Vehicle Commission (NJ MVC) today announced the Randolph and Salem Licensing Centers are closed due to a single employee testing positive for COVID-19 at each location. Both Centers will reopen Friday, April 2.

At each location, the employee who tested positive was last in the agency on Thursday, March 18.

Road Test Operations at Randolph were closed today, March 19, but will reopen for regular hours next week.

MVC Online

The MVC now offers about 75% of transactions online at [NJMVC.gov \(https://njmvc.gov/\)](https://njmvc.gov/). There are nearly 30 online services available at the website, including most renewals for licenses and registrations.

Before scheduling an appointment, customers should first check to see if their transaction can be completed online and skip the trip to an MVC agency.

Scheduling an Appointment for an In-Person Visit

Nearly all in-person transactions at both Licensing Centers and Vehicle Centers require an appointment scheduled at [NJMVC.gov \(https://njmvc.gov/\)](https://njmvc.gov/).

Appointments are scheduled up to 60 days in advance and are widely available. The MVC has more than doubled daily appointments for license and registration renewals recently.

Appointment Cancellations

Any appointments canceled due to an MVC location closure must be rescheduled on the website. Customers will get an email when their appointment has been canceled.

If a customer can't make an appointment, it should be canceled using guidance in the MVC's confirmation email to open the appointment for others.

Renewals

License/ID and registration renewals that can't be completed online require an appointment. Renewals are not available on a walk-in basis.

Check Your Documents

Customers should check the expiration date on their documents and renew early. Most licenses can be renewed online three months before expiration and most vehicle registrations two months before expiration. If you can't renew online, make an appointment within the renewal window. Don't wait until you're up against an expiration date!

Know Before You Go

Before all MVC visits, customers should log on to [NJMVC.gov \(https://njmvc.gov/\)](https://njmvc.gov/) to check if the agency might be closed because of an employee testing positive for COVID-19, or for any other reason. The MVC has 39 locations to serve customers throughout the state.

Customers can complete many transactions online, schedule appointments, and find out more about MVC operations on the website. Customers can also identify whether a license or vehicle transaction is available online, by appointment, or walk-in by using the [MVC "Cheat Sheet" \(https://www.nj.gov/mvc/pdf/about/cheatsheet.pdf\)](https://www.nj.gov/mvc/pdf/about/cheatsheet.pdf) on the home page of the website.
